

## ERDENER PRÄLAT

*[air-din-er pray-laht]* (The Bishop of Erden)

A small slice of perfection, this vineyard produces some of the greatest wines in the Mosel valley. Its south-facing slopes, red slate soil and extraordinarily warm microclimate yield wines of unequalled power and nobility. The vineyard's exposure, combined with the warming effect of the river and the massive, heat-retaining cliffs that surround it, ensures exceptional ripeness in every vintage.

THE 3-TIER SYSTEM OF THE VDP.MOSEL

The gold capsule is reserved for an Auslese of special distinction. For us, that means Erdener Prälät, the tiny slice of perfection that sits at the base of the red slate cliffs between Erdener Treppchen and Ürziger Würzgarten. Because of its ideal exposition and warm vineyard climate, Erdener Prälät always produces the most kaleidoscopic wines, pulling together elements of all the other single-vineyard sites into a glorious singularity.
