

THE VILLAGE OF ÜRZIG

THE WINE

Ürzig produces wines of a unique nature, showcasing the exotic fruit flavors of the “spice garden”. Grosses Gewächs (GG) means “great growth” and is the designation for an estate’s best dry wine from a Grosse Lage (grand cru) vineyard. This GG Riesling is from a parcel of extremely old vines (“alte Reben”) that is still referred to by its historical name, Urglück.

GROSSES GEWÄCHS (German equivalent “Great Growth”)

The GG wines represent the great potential of our dry Mosel Rieslings from Grosse Lage (Grand Cru) vineyards. All of our spontaneously-fermented Grosses Gewächs wines are given a twelvemonth maturing period on the lees in old oak barrels (3000l and 1000l) before bottling. This ensures that the wine has an extra dose of elegance and structure for a long life.

RED VOLCANIC SOIL

The weathered volcanic soil of Ürzig is unique at the Mosel. Its high content of iron gives a bright red color to the soil. This soil produces rich, spicy wines that are bursting with exotic fruit flavors.

TECHNICAL INFO

Grape Variety: 100% Riesling | **Appellation:** Mosel

Quality level: Qualitätswein

VDP Classification: VDP.Grosse Lage® | Grosses Gewächs

Vineyard: Ürziger Würzgarten | **Soil:** Red volcanic soil

Viticulture: Sustainable, according to strict German environmental regulations | **Harvest method:** Selective hand-harvest (healthy grapes) | **Fermentation:** Natural yeasts in oak casks | **Aging:** 12 months in oak casks

FROM THE PRESS

[94+] *Wine Advocate*, 2017 vintage

Lovely pure and delicate but ripe and intense on the nose, with the typical iron-rich tropical and herbal flavors of the reddish terroir. Highly elegant and perfectly balanced on the palate, this is a super salty, finessed and tensioned Würzgarten with great tension and com-plexity. Citrus flavors in the long and salty finish. An impressive wine that might be even better in a couple of months!
