

GEWÜRZTRAMINER GRAPES

GEWÜRZTRAMINER

Gewürztraminer is a wildly aromatic variety that produces very distinctive wines. Villa Wolf Gewürztraminer is clean, fruity and wonderfully light on its feet. It shows off the aromatic charm of the grape with a deliciously juicy texture and a delicate aroma of spice, exotic fruits and fresh roses. To preserve a lively balance in the wine, the fruit is picked when it is perfectly ripe, but not over-ripe.

RHINE VALLEY

THE PFALZ

The Pfalz (aka 'Palatinate') region is in the Rhine river valley in southwest Germany, directly north of France's Alsace region. The low-lying Haardt mountains protect the area from cold, wet Atlantic weather, making it one of the warmer and drier areas of Germany. Wine grapes do quite well here where it is possible to achieve full ripeness in every vintage. The predominant soil type in this area is well-drained, weathered sandstone. It produces wines with a fruit-driven purity and a stony structure.

VILLA WOLF, BUILT 1843

VILLA WOLF

The goal at Villa Wolf is to produce wines that express the pure, authentic terroir of the Pfalz. Made in the classic style of the Pfalz, Villa Wolf wines are dry and full-bodied, with fully ripe fruit flavors and a characteristic stoniness in the aroma. To preserve the naturally high quality of the vineyards, we employ sustainable viticultural practices and emphasize gentle handling of the fruit through traditional, minimalist winemaking.

The invigorating freshness of Villa Wolf's Gewürztraminer is an unusual change from often duller, flabbier versions. It's floral exuberance and crisp peach and pear flavors are refreshing and quaffable.
