VILLA WOLF
PINOT NOIR ROSÉ SPARKLING EXTRA DRY

The driving concept at Villa Wolf is to produce wines that express the pure, authentic terroir of the region. Winemaker, Ernst Loosen took over the estate in 1996, and since then his knowledge and direction have catapulted the Villa Wolf ahead in terms of quality and new ideas. This Pinot Noir Rosé Sekt Extra Dry is another fantastic new idea as the Pinot Noir Rosé from Villa Wolf is quite popular as a still wine, so it was only logical to try a Sparkling Rosé from Pinot Noir. The result is a very enjoyable and invigorating Sekt that is the perfect drink to welcome friends or to enjoy outside on the patio.

This Pinot Noir Rosé Sparkling reflects the fresh and balanced style that Villa Wolf wines strive to achieve. It is also made in a style that is true to the Pinot Noir grape, which, if properly nurtured, can be made into one of the most elegant and deligthful sparkling wines in the world.
